Please
keep safe

Your committee want to wish you all a merry Christmas and a happy New Year. We hope you all stay safe and avoid all this nasty Covid-19 stuff. Have a great festive season.

You may notice that this newsletter is very sparse on anything and that is the result of you members not responding to the cries for help that we have put out for the last few years. Your committee is not getting younger and have health problems. Thirza's husband needs 24/7 care and Tony also has health problems. As you know, I have many of my own problems with the occasional emergency trip to hospital and now my wife has breast cancer. We are struggling to keep Sussex IA together so this might be the last time you hear from us. It depends on what you as members decide what you want. Do you want Sussex IA or do you want to be just part of the postal branch with nothing local for you. It just needs some of the younger ones to help out, maybe take over the newsletter. Anything would be good but we cannot survive as we are. We are stretched beyond our limits

Have a good Christmas but take heed of what has just been said
